Before enrolling, take your time to carefully read the guidelines listed below.

BEFORE ENROLLING

Before you enroll a child to swimming school, get to know their abilities in a water environment – go swimming in advance.

Familiarize yourself with the ability groups' descriptions - a child learns best with children that are at a similar skill level. In an ability group that's too demanding, children can get frustrated and swimming might become unpleasant.

We hope that children maintain these skills after swim school: going to a higher ability group will be easier.

Do not over- or underestimate the child's skill set when choosing an ability group.

ABILITY GROUPS

Every child has individual goals. The ones mentioned below are maximum goals.

Tenavaryhmä: Kid group

Minimum age limit **4-years-old**. Also wary older children belong to this group. Targeted to children that **do not have the ability to swim**. This group focuses on getting children comfortable in water and creating a strong foundation for swimming. **This group trains in the shallow learning pool.**

Alkeisryhmä: Beginner group

Minimum age limit **5-years-old**. Targeted to children that **do not have the ability to swim**. This group focuses on gaining the ability to swim 10 meters. The goal is to gain the Beginner's badge. **This group trains mainly in the shallow learning pool.**

Jatkoryhmä: Continuation group

Entry requirement for this group is **the ability to swim 10 meters**. For example, those who have gained the **Beginner's badge** belong to this group. This group focuses on gaining the ability to swim 50 meters with the correct technique & gaining different distance / skill badges. **This group trains mainly in the deep pool.**

Suoritusryhmä: Advanced group

Entry requirement for this group is **the ability to swim 50 meters**. This group is targeted to children who want to improve their ability to swim – correct technique as well as versatile swimming ability (diving, lifesaving, distance diving...). This group focuses on gaining Proficiency, Bachelor, Master and / or Primus Master badges. **This group trains in the deep pool.**

Beginner swimming course for 13 – 17-year-olds

This course is organized outside of the swimming hall's opening hours – the swimming hall is closed to the public during the lessons. Targeted to **all 13 – 17-year-olds** that **do not have the ability to swim** or can only **swim short distances**. The goal is to gain the ability to swim 10-15 meters. **This group trains in the shallow rehabilitation pool, and depending on skill level, in the deep pool.**

INSTRUCTIONS FOR SWIMMING SCHOOL

The swimming school begins with taking attendance outside and ends when children are returned to the same place. **The guardian has to be present during returns.** If the guardian is late, our personnel will stay and wait with the child for the guardian to arrive.

If your child can independently come and go from the lessons, **ask our staff for a permit slip.** If a permit slip is not filled and given to the staff, the child will wait after the lesson for their guardians. The child will wait with our personnel to ensure safety.

During summer, the swim teacher is assisted by a swim assistant that looks after the children in the changing room and showers. Swim schoolers go to a changing room as a group. The changing room depends on the gender of the swim assistant. A swim schooler can go to the other changing room independently. The swim assistant or teacher must be informed about this arrangement during the first lesson. **Uimaseura Aquila ry does not arrange an assistant to the other changing room.**

A swim schooler will need a swimsuit, towel, a small sauna towel and personal hygiene products. Swimming goggles and caps are optional. We recommend tying longer hair up.

Guardians can go swimming during the lesson by buying a ticket at the cash register or using their own wristband-ticket. **Guardians can not enter the pool area without paying an entry fee** (a single ticket or own wristband-ticket).

We wish that children can learn without distractions – guardians that are present need to offer the children room to focus.

THE FIRST LESSON – get-to-know lesson:

- Arrive 10 minutes early
- **The first lesson lasts 1h**
- If you have a swimming booklet from previous swimming schools, hand it over to the teacher
- If the child can independently come and go from the lessons, inform the swim assistant or teacher during the first lesson

THE LAST LESSON – presentation lesson:

- Guardians are welcome! Children get to show the skills they have learned
- **The last lesson lasts 1h**
- Swimming booklets are given after the lesson
- You can buy swimming badges by showing the swimming booklet to the cashier of Café Aquila
- At Karhulan uimahalli, you can only buy badges **with cash**.
